ZERO HOUR NEAR FOR CHINA'S GREATEST BATTLE

Release Of Two Social Crediters Asked By Aberhart

Alberta Requests Ottawa to Free Unwin and Powell From Jail Sentences

Appeal Court Rejected Plea

EDMONTON (CP)—Premier William Aberhart, acting Attorney-General of Alberta, today telegraphed Hon. Ernest Lapointe, federal Minister of Justice, asking full remission of sentences imposed on G. F. Powell, British adviser to the Alberta Social Credit Board, and Joseph H. Unwin, Social Credit member of the Alberta Legislature for Edmonton. Mr. Powell and Mr. Unwin are under sentence of jail terms for publishing defamatory libel.

EARLY REPLY ASKED

Premier Aberhart's telegram read:

"Appeal of Powell and Unwin against convictions for defamatory libel and sentences of six and three months respectively was dismissed by appellate division here. They have no further right of court appeal, but having regard to disturbed condition of public opinion and its effect on the public peace, I strongly urge full remission of sentences immediately. Would appreciate your usual prompt consideration."

Mr. Powell and Mr. Unwin were convicted and sentenced last November, and their appeals, heard by the appellate division of the Supreme Court of Alberta in January, were dismissed in unanimous judgments handed down last Monday.

In the trial court judgment, Mr. Justice W. C. Ives, sentencing Powell, recommended deportation.

The appellate division judgments were written by Chief Justice Horace Harvey.

JUDGMENT REGISTERED

George H. Steer, K.C., counsel for the private prosecution that developed from distribution of a leaflet entitled "Bankers' Toadies," and naming nine Edmonton men, registered the appellate division judgment at the courthouse at noon today.

Mr. Unwin and Mr. Powell, still at liberty, were expected to surrender before tonight. Delay in registering the judgments was made to permit Mr. Powell and Mr. Unwin to clear up their personal affairs.

The caucus of Social Credit members of the Alberta Legislature, which opened Tuesday as a prelude to the opening of the Legislature tomorrow, was reported to have discussed the (Turn to Page 2, Col. 2)

Ottawa "Gravy" Probe Coming

Conservatives Lose Enthusiasm as Spotlight Turns to 1930-35 Regime

By NORMAN M. MacLEOD
OTTAWA — Tory enthusiasm for an investigation into party campaign funds has diminished notably over the last few days on Parliament Hill. Nevertheless, the prospect is definite that some sort of inquiry will be held. The Liberals will insist on it. They agree with Hon. C. D. Howe, Minister of Transport, that Mr. Bennett in his speech in the debate on the address said "either too much or too little" and that the matter must be cleared up.

The reason the Conservatives have lost much of the relish with which they looked forward at first to the prospect of a campaign fund probe is the fact that the Liberals have made it plain that any inquiry which is held will not be confined to the Liberal headquarters, but will go back over the five-year period from 1930-35, when the Conservatives were in power and in charge of federal contracts. The particular phase of the Tory administration which will come under close scrutiny will be the contracts awarded in Quebec province.

ST. LAWRENCE "GRAVY"

Rumor has always associated the millions spent in dredging the St. Lawrence River with political "gravy." The Liberals are definitely of the opinion that these irregularities were not by any means noticeable by their absence during the Tory regime, but rather the contrary.

NEW STEEL-C.I.O. AGREEMENT MADE

NEW YORK (AP)—The United States Steel Corporation today granted the Committee for Industrial Organization a new union contract replacing the current agreement expiring February 28. "A quarter of a million workers are affected."

Wages are left at the existing level. The only substantial change made in the old contract, which was renewed indefinitely, was a provision for conferences on 10 days' notice by either side for the purpose of negotiating changes.

It changes asked by either side are not agreed to within 20 days, said the steel company, then all agreements shall be considered ended.

NORTH IRELAND AT POLLS TODAY

Stations Crowded as 64 Candidates Contest 31 Seats; Reports Tomorrow

BELFAST (CP)—Northern Ireland went to the polls quietly today. Within a few minutes of opening many polling stations were crowded with electors wishing to vote on their way to work. Owing to the crush many had to leave disappointed.

The polls closed at 8 p.m. Nine divisions will count votes at 9 Thursday morning. Six will start at 11 a.m., the remainder in the afternoon. The result, therefore, should be known about 7 p.m. (11 a.m. P.S.T.) Thursday.

Queen's University, returning four members, voted under proportional representation, however, and the result will not be known for several days.

A battle of advertisements between Prime Minister Viscount Craigavon's Unionist (Conservative) Party and the Progressive

Unionists, led by William J. Stewart, over armament orders rang down the curtain in the swift election campaign. The latter felt Lord Craigavon was not obtaining for Northern Ireland a sufficient proportion of Great Britain's rearmament expenditure.

The Northern Whig editorially said today:

"It is for the loyal electors to show, by polling full strength for government candidates, that the objection to fusion with the disloyal south remains unchanged."

CANDIDATES TOTAL, 64
Sixty-four candidates contested the 31 seats at stake today, the remaining 21 in the 52-member Legislature having been returned by acclamation January 29.

Of the 64 candidates, 29 represent Lord Craigavon's government party, in power since Ireland was divided into north and south in 1921.

Heralding Arrival of Dutch Throne Heiress

The above picture, taken in Amsterdam, indicates how the traditional staid calmness of the Dutch turned into joyful dancing in the streets when news came January 31 that Crown Princess Juliana had given birth to a girl, heiress presumptive to the throne of Holland. Inset is a glimpse of two of the trumpeters who, in the nearby town of Baarn, close to the castle where the daughter of the Prince Consort and Juliana was born, proclaimed the event in the exultant tones of their flag-bedecked horns.

EIGHT DIE IN FRENCH CRASH

Four Injured When Flying Boat Hits Breakwater at Marseilles

MARSEILLES, France (AP)—Eight persons were killed and four injured today in the crash of an Air France flying boat against the Marseilles breakwater at the moment of take off.

The trans-Mediterranean airliner was starting its scheduled flight to Ajaccio, Corsica, on the Marseilles-Tunis run. It drove against the breakwater at 60 miles an hour and burst into flames.

Air France announced those killed were five passengers and three of the crew. Two passengers and two of the crew were injured. All the dead were French, including Chief Pilot Pierre Burello, veteran flier, who was at the controls.

Officials thought Burello probably failed to see the breakwater through morning fog and mist.

PETERBOROUGH, Ont. (CP)—Mrs. John Anderson believes she has a stamp received on a letter from Sydney, New South Wales, which she thinks should be worth more than the twopence paid for it. The stamp, in commemoration of Sydney's 150th anniversary, shows Captain Philip at Sydney Cove in 1788 wearing epaulettes whereas those adornments were not worn as part of the naval uniform until 1795.

Democracies Will Show Strength of Friendship in June, Say Papers

PARIS (CP-Havas)—Political significance of the impending visit of King George and Queen Elizabeth to France was emphasized by French newspapers today.

"This happy news caused the deepest satisfaction in all French circles," Lucien Bourgeois declared in the independent Petit Parisien. "King George and Queen Elizabeth are just as popular in France as they are in their own country."

STRONGER BONDS

According to Le Matin, Independent Republican, the visit "is an important demonstration of Franco-British friendship which will not fail to strengthen further the bonds uniting the two countries."

"It is significant that the British sovereigns in their first official visit outside the United Kingdom should have accepted France's invitation to pay homage to the memory of the British Empire's fighting men who mingled their blood with that of Frenchmen in the defence of justice and liberty," Excelsior, independent newspaper, said.

Capone Now In Doctors' Hands

May Be Sent to Hospital For Insane Criminals at Springfield, Mo.

SAN FRANCISCO (AP)—Reports were current today Al Capone, under observation in the hospital ward at Alcatraz Island federal prison in San Francisco Bay, might be transferred to the federal hospital for insane criminals at Springfield, Mo.

The rumor persisted the Chicago gangster, serving time for income tax law violation, was suffering from paresis, a condition which brings about destruction of the brain cells.

Dr. Edward Twichell, consulting psychiatrist for Alcatraz, who admitted Tuesday he had visited Capone on a special call last Sunday, observed:

DECLARED CURABLE

"Whether Capone has paresis or anybody else has it, it now is a curable condition. Malarial treatment in favorable cases results in pretty rapid response."

Reports have persisted the one-time leader of a Chicago mob that rose to international notoriety during the United States (Turn to Page 2, Col. 4)

Radio Link With Russians On Ice Near Greenland Coast Broken

MOSCOW (AP)—A magnetic storm today interrupted communication between the outside world and the four Soviet North Polar campers whose perilous perch on a dwindling ice cake is in danger of being crushed by

pack ice off the east coast of Greenland.

Three Russian icebreakers, struggling through heavy seas and the Arctic darkness to reach the scientists, with the nearest still several days away, said the magnetic storm which began Tuesday had thwarted efforts to maintain wireless communication with the camp. They said it probably would continue several days.

New Building For Esquimalt

Ordnance Workshop, to Cost \$72,700, to Be Built By Knott and Jones

Construction of an ordnance workshop at Esquimalt, at a cost of \$72,700, will be started next week and will be finished by late in June, it was learned this morning in an announcement from Ottawa.

Knott and Jones of Victoria have been awarded the contract on the caisson ground, on the north side of Esquimalt Road. Three other buildings are at present being erected on the same ground.

Of steel construction, with a concrete roof and finished in red brick, the new building will be 200 feet by 77 feet. Between 25 and 30 men will be employed for four months on the job.

Knott and Jones are at present engaged in the construction of a new office building within the gates of the Naval Dockyard.

ALBERTA COAL MAY LOSE B.C.

Calgary Expert Says Enforced Lowering of Prices Here Would End Market

CALGARY (CP)—Alberta may lose a British Columbia coal market that has consumed 150,000 tons of domestic coal from this province annually.

That is the opinion of British Columbia dealers and authorities, according to Lieut.-Col. P. R. Shields, representative of Calgary dealers who has returned from Vancouver after a two-week survey of the situation.

Coal dealers here, he said, believe the British Columbia government will set up a three-man commission to enforce the act passed recently calling for the regulation, licensing and controlling of the coal and petroleum industry.

"This is expected to result in a lowering of the price of coal in British Columbia to such an extent that Alberta coal will be excluded, leaving the market open solely to Vancouver Island low-grade bituminous coal," he added.

"Many dealers feel it is a direct discrimination against Alberta in favor of Vancouver Island coal," said Col. Shields.

SEVEN GIRLS FLEE SCHOOL

Three Victorians Among Group in Dash From B.C. Industrial Institution

VANCOUVER (CP)—Seven girls who, aided by a male accomplice, escaped from the Girls' Industrial School here Tuesday night, were being hunted today.

The girls shattered a window and leaped to freedom at the time the attendant in charge, Miss M. Murray, was answering a knock at the front door. Miss Murray said that as soon as she opened the door the caller, a man, turned, leaped down the stairs and fled into the darkness.

The escaped girls are from 13 to 17 years old. Three of them were sent to the school from Victoria.

B.C. Urged To List Orientals

M. Macintosh, M.P.P., Discussing Japanese, Suggests Trade Department Check

NORTH VANCOUVER (CP)—A suggestion that British Columbia proceed alone in an investigation of the Oriental problem on Canada's Pacific Coast is offered by Captain MacGregor Macintosh.

"There are two methods of gaining information on the British Columbia Oriental problem," the B.C. Legislature member for the Islands said in an address to the North Vancouver Conservative Association Tuesday night. "If we do not want to wait for Ottawa, let us in British Columbia do it ourselves."

Mr. Patullo has in his new Department of Trade and Industry the machinery to collect that information. I insist that we paint the picture as it is—so that eastern Canada will be forced to take action."

STANDARDS DIFFER

"Why are people so perturbed?" he asked. "Because they see an intense competition based on a different standard of living by an alien race penetrating their basic means of livelihood—fishing, small fruit farming and poultry raising."

He said that, although big business was not yet affected, there were already large scale Japanese logging interests on Vancouver Island and the Queen Charlotte Islands and that Japanese interests were reopening an old copper mine on Sidney Inlet, on the west coast of Vancouver Island, to ship copper concentrates direct to Japan.

By LLOYD LEBRAS, Associated Press Foreign Staff
SHANGHAI—Japanese armies were poised at six points on the Far East war map Wednesday for a giant campaign to crush Chiang Kai-shek's legions and swallow the fertile heart of eastern China.

The magnitude of the campaign which has been in the making since the first shot was fired seven months ago became apparent through new military movements.

Japanese military headquarters disclosed the zero hour was approaching in a communique which said:

"The troops, with rearranged positions and with morale growing stronger, are impatient for further operations."

CHINESE ARMY 400,000

The Japanese grand objective was to bottle up 400,000 Chinese troops along the east-west Lung-hai railway and conquer the corridor which has kept them from piecing together the Japanese occupied areas in north China and the Yangtze River valley.

But Chinese, facing a six-way attack on the corridor some 300 miles long and 180 to 200 miles wide, found cheer in these developments:

Their troops at the south central fringe of the corridor have kept the Japanese south of the Hwai River; persistent guerrilla attacks behind Japanese lines have hampered Nippon's movement of reinforcements and supplies; China's air force has grown; a steady stream of planes and war materials has reached central China from the south.

The Lung-hai railway runs from Haichow, on the Yellow Sea, 375 miles north of Shanghai, through corn, bean and wheat fields to Sian, Shensi province capital, 600 miles to the west. Inland 125 miles it crosses the Tsinpu railway at Suchow. At Chengchow, 300 miles from the coast, it crosses the Peiping-Hankow railway. Midway between those points is Kweichow.

COLUMNS MOVE

Two Japanese columns were aimed Wednesday at the southern border of the Lung-hai corridor and four were in position on the north. Most of the Chinese force of 400,000 was said to be in the eastern half of the corridor.

Although Japan's main drive is against the Lung-hai corridor, there has been no let-up in aerial attacks on south China points. Low-flying planes struck again at the Canton-Hankow rail artery which has been China's main supply source.

The growing Chinese air force, Chinese said, raided the Japanese airfield at Wuhu, up the Yangtze River from Nanking, and set fire (Turn to Page 2, Col. 4)

Spanish Rebels Claim 230 Square Miles in Offensive Near Teruel

HENDAYE, France (AP)—Spanish insurgents completed the "first stage" of an attempted push to the sea through government-controlled eastern Spain, and halted today to bury their dead and take inventory of captured prisoners and supplies.

The insurgent forces counted 230 square miles of territory gained in a four-day offensive north of Teruel, and an insurgent communique said thousands of prisoners and much munitions and supplies had been taken.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of fluid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sick and the world looks lousy.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of a catalyst but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

Girl in Montreal Yawns Four Days

Unable to Sleep, Mabel Patrick's Condition Baffles Medical Profession

MONTREAL (CP)—Mabel Patrick was in her fourth day of incessant yawning in a Montreal hospital today while baffled doctors sought a name for the strange malady that has kept her awake.

Tired and sleepy, the 20-year-old girl was yawning about every half minute, but her undiagnosed condition kept her from lapsing into the sleep she had been struggling for since early last Saturday.

Her case was described by doctors as the first of its kind recorded in Montreal's medical history.

Looking back for a possible cause of the illness, the physicians learned she had been let out from her work at a hotel a few months ago. Since then, she had been looking for employment, often spending sleepless nights as she worried about finding a new job.

Then the yawns started. Miss Patrick told hospital officials she was an orphan, daughter of an Irish father and Russian mother.

FISHERMEN'S BELIEF

The speaker asked what the racial balance would be in 50 or 100 years with 30,000 Japanese in British Columbia at the present time. He said the general opinion among fishermen along the coast was that Japanese were entering the province without the formality of informing the immigration authorities.

"Remember we are dealing with a race which cannot be assimilated with ours," he said. "They have a different standard of living. Ways and means of life which to us are necessities are to them nonessential."

In speaking of the possibility Japanese were entering the province illegally, he said it was obvious the present immigration service could not patrol such a vast coastline, yet the British Columbia coast was comparatively close to Japan, and Japanese freighters were continually passing up and down and Japanese fishing boats abounded off Vancouver Island.

FRUIT GROWING

Capt. Macintosh said British Columbia Department of Agriculture figures showed 40 per cent of growers in the small fruit growing district of Fraser Valley were Orientals, and that they operated 65 per cent of the acreage.

He said that 18 per cent of the fishing licenses were issued to Japanese, but actually 7 per cent of the Japanese population of the province were engaged in fishing, adding that nearly 60 Japanese had already obtained master's certificates in coastal waters since this was made possible 18 months ago.

"It is necessary to wake up eastern Canada," he said. "In part, corrective action lies in Ottawa, but we can do our share in British Columbia."

ever accorded a British king by Paris. On his arrival the Parisian people will ratify government action aimed at an unshakable accord. We notify all our neighbors that—even if they stuff their ears with cotton—they shall not fail to hear the acclamations which will greet King George VI on the banks of the Seine. This welcome will emphasize the bonds between two peoples united against war and in defence of liberty."

CREEDS POINTED

The almost simultaneous visits of King George to France and of Chancellor Hitler to Rome will spotlight the sharply differing political creeds of the democratic and Fascist states of Europe, the centrist newspaper L'Intransigent said.

"Next May Reichsfuehrer Hitler will visit Premier Mussolini," the newspaper declared in a front-page article. "Next June the King and Queen of England will visit the President of the French Republic."

"The visit of the master of the Reich to the Italian dictator will bear the aspects of a Roman triumph. The visit of the British sovereigns will symbolize a triumph of friendship."

"Hitler and Mussolini in their meeting will study methods to bolster their European hegemony. King George and the French President will examine measures to guard the independence of their respective countries."

"A dynamic demonstration at Rome. A peaceful demonstration at Paris. Germany and Italy, in rearming, want to forge an instrument of conquest. Great Britain and France, in rearming, seek an instrument of security. The defensive force of France and Great Britain permits neutralization of the explosive German-Italian force."

ENTENTE RECALLED

LONDON (CP)—British newspapers, commenting on the announcement the King and Queen will make a four-day state visit to France in June, today recalled the memorable visit of King Edward VII in 1903 which resulted in the Entente Cordiale.

The Times of London, which said similar visits would follow, saw the visit "as confirming the friendship which unites the two great democratic countries."

tion into the Quebec contracts which is thus raised is an interesting one. For presumably it would mean questioning the federal Quebec ministers of the 1930-35 period, the principal one of whom was Hon. Alfred Durand, who held the portfolio of marine. Mr. Durand, however, is now a judge of the Quebec Supreme Court, and would have to be summoned from the bench if his testimony were wanted.

Altogether it looks as though the Parliamentary laundry were facing a pretty tall order for the thorough renovation of some fairly dirty linen, and as though it would all be exposed to the public view in the process. The initiative in the inquiry will be taken by the government. Mr. King's views on political corruption are no less rigid than Mr. Bennett's. And the Prime Minister realizes fully that no government can maintain its own dignity and the respect of the public while sitting silent under the accusations which the Conservative leader has made.

Vancouver Tax Rate to Go Up

VANCOUVER (CP)—The Vancouver Province in a front page story said today that the city council might have to increase civic service fees if Vancouver is to balance its 1938 budget.

The story said: "In addition to imposing a three- or four mill increase in the tax rate, the city council may have to raise charges on civic services or institute new charges, if it is going to close its 1938 budget gap of \$1,981,156."

Comptroller Frank Jones presented the preliminary 1938 budget to the city council on Tuesday.

Treatment Of Cancer Studied

Methods of Detroit Doctor Added to Ontario Investigation List

TORONTO (CP)—A third cancer treatment—that produced by Dr. William F. Koch of Detroit and distributed in Ontario—was added today to the list to be investigated by a special provincial government-appointed committee. Earlier, study of treatments practiced by Dr. J. F. Hett of Kitchener and Miss R. M. Caisse of Bracebridge had been announced.

Health Minister Harold Kirby said Dr. David Arnott of London, prescribing the Koch "cure," and who wrote a foreword to a pamphlet by the Detroit doctor, had asked the investigation. Mr. Kirby said the request suggested an investigation of case records rather than into composition of the nostrum and laboratory tests of its efficacy.

Records showed Dr. Arnott in 1937 reported on his work to a special committee of the College of Physicians and Surgeons. The Koch "cure" was brought in 1931 to official notice when Arthur R. Ford of London, member of the Royal Commission on Cancer, "impressed by the results," invited other members of the commission to make a study of the treatment.

JAPAN REFUSES REPLY ON NAVY

Tokio Not to Give Information to Britain, U.S. and France

TOKIO (AP)—Authoritative sources said today Japan would refuse to give naval information asked by Great Britain, the United States and France in a reply to be handed to the ambassadors of those countries, probably Friday.

Along with the reply, which was being drafted by navy and Foreign Office authorities, the government was expected to make a "clarifying statement" on the naval problem.

Britain, the United States and France had asked in formal notes that Japan inform them by February 20 of any plans to build battleships exceeding the 35,000-ton limit set by the 1936 naval treaty among the three powers.

Capone, who began serving his 10-year income-tax evasion sentence in 1931 at another prison, is eligible for release next January 19.

OAKLAND, CALIF. (AP)—The Oakland Tribune said today that Al "Scarface" Capone, former Chicago gang leader, fought a vicious battle with Alcatraz Island prison guards and finally was tied in a strait jacket.

"An outbreak in the Alcatraz Island prison hospital, in which efforts of six guards were required to subdue Capone, put him under the most drastic restraint known to prisons," the paper said.

Simultaneously with the disclosure of Capone's violent outbreak, it was learned a formal inquiry hearing has been ordered for him.

Appeals to Privy Council Opposed

OTTAWA (CP)—Abolition of appeals to the British Privy Council is proposed in a bill which Hon. C. H. Cahan, Conservative, Montreal-St. Lawrence-St. George, will introduce in the House of Commons this session. If approved by the Canadian Parliament the measure would do away with the right of the Privy Council to hear appeals on constitutional or civil matters.

HACKED BODY IS IDENTIFIED

Police Believe British Officer Slain in Home of Suicide

CHEL TENHAM, Eng. (AP)—Police said today they were nearly convinced a dismembered body taken from the River Severn was that of Captain William B. Butt and it had been cut up at the home of Captain Butt's friend, the dancer, Britain Sullivan, who was found dead last month.

A blood-stained overcoat identified as having belonged to the retired army officer was found under the house. Legs and other parts of a body believed to be Captain Butt's have been recovered from the river in recent days.

Capt. Butt disappeared January 4, several days before Sullivan, 27, was found dead from gas in a sealed room at his home. Sullivan's death was pronounced suicide.

Quebec Warned On Fascism

C. Bastien Tells Legislature Government Should Watch Growth

QUEBEC (CP)—The Quebec Legislative Assembly today had a warning that the Union Nationale government should keep a close eye on the growth of Fascism in the province.

Cleophas Bastien, Liberal, Berthier, said young people were entering Fascism "by the hundreds" in Montreal every week.

"The government must not forget that the minds of young people are easily deformed and Fascism is as bad in principle as Communism, against which the Quebec government is acting," he said.

Mr. Bastien said Premier Duplessis frequently mentioned the Union Nationale government's warfare against Communism, but "says nothing about Fascism, despite newspaper reports of Fascist exercises in Montreal."

Vancouver Architect Among 10 Submitting Best Designs to Ottawa

OTTAWA (CP)—Ten designs for low-cost residences were today chosen as winners of the architectural contest conducted by the Finance Department as a part of the program carried on under the Dominion Housing Act. Winners are firms and architects in Ontario, Quebec and British Columbia.

Creators of the designs will be required to complete working plans, for which they will receive \$250 each. Following are the winners:

Forsey, Page and Steele; Greensides and Langley (two designs); and Gouals E. Kirtland, all of Toronto; Paul Rousseau and A. H. Tremblay, Quebec; Edward Cecil Cox and T. H. Mace, Montreal; Alvin Ronald Frack, Hamilton, Ont., and Harold Cullerne, Vancouver.

There were 300 designs submitted from every province in Canada.

TWO FACE TRIAL FOR BANK RAID

MURRAYVILLE, B.C. (CP)—John and William Wasylchuk were in the Oakalla jail today awaiting trial in the country court on charges of robbery with violence. The charges were laid in connection with the holdup of the Royal Bank of Canada branch at Langley Prairie January 24, when two masked bandits escaped with about \$3,000.

GUARD DROWNED

SAN FRANCISCO (AP)—Fritz Flukinger, 47, veteran member of the coastguard, drowned today when a high sea capsized a lifeboat during drill off Ocean Beach.

Insurance Plan Up For Alberta Debate

EDMONTON (CP)—Federal proposals for Dominion jurisdiction over unemployment insurance will be placed before the Alberta Legislature session opening tomorrow, it was announced today by Premier Aberhart.

A caucus of the social credit members of the Alberta Legislature was held today.

Old Warfield House For Lease

BALTIMORE (AP)—The childhood home of the Duchess of Windsor, complete with its reputedly lucky bathtub, its red wallpaper and its 20-foot mural of the Duke and Duchess, is for lease. Mrs. Lillian Bennett, who lives next door, said the hostess at the house, converted into a museum, told her it was to be closed because it was not earning any money.

Need Building-Up?

WHEN you feel out-of-sorts, when you've no appetite, or stomach gives trouble, with gas or acid indigestion, why not try Dr. Pierce's Golden Medical Discovery?

Read what Mrs. Clara Manning, 149 Welland Ave., St. Catharines, Ont., said: "Some time ago I was very pale and thin, and I felt tired and worn-out most of the time. I never cared to eat and sleep didn't seem to refresh me. I decided to try Dr. Pierce's Golden Medical Discovery and my appetite was much better. I gained weight and strength, and more color in my cheeks and my perfectly fine hair began to grow. Sold by druggists. New size, tablets 50c, liquid \$1 and \$1.35."

B.C. Markets To Be Protected

Hon. K. C. MacDonald Declares Growers to Get Justice in New Trade Deal

VANCOUVER (CP)—Hon. K. C. MacDonald, British Columbia Minister of Agriculture, said on his return from Ottawa that he was "quite satisfied that Ottawa will do everything to see that we get justice."

Questioned on the outcome of trade negotiations involving Great Britain, the United States and Canada, the minister said that the outlook for British Columbia was "fairly satisfactory."

He added that the Okanagan representatives who attended the meeting of the Horticultural Council came away satisfied that their interests would be cared for as well as possible.

The minister said there was no indication the Dominion Government was moving toward further marketing legislation.

Pope Disturbed By World Events

VATICAN CITY (CP-Havas)—Pope Pius today expressed concern over the international situation. Addressing 300 newly-married couples, the Pontiff told them they constituted the hope of the church and "for civil society, which especially needs you in these terrible, threatening times."

SHIP HELIUM FOR ZEPPELIN

WASHINGTON (AP) — The State Department announced Tuesday it had issued a license for the export of 2,600,000 cubic feet of helium to Germany, the first installment of an allotment of 17,900,000 cubic feet.

The gas is for the new German

Zeppelin LZ-130, which is scheduled to start flying between Germany and the United States in June.

Birmingham university, England, has the world's smallest brewery. Installed to give special attention to the study of brewing, the brewery measures eight feet in height and covers a floor space of six square feet.

Shifting Weights To Give Stability

Next Attempt to Raise Beulah Will Probably Be Made Thursday

Following yesterday's unsuccessful effort to float the Beulah the Pacific Salvage Company set out this morning to change the distribution of weight in the hold with a view to making another attempt either today or tomorrow.

It was generally predicted at Ogden Point that the pumps would not be started again before tomorrow.

Monday's and Tuesday's efforts to float the eccentric motorship, as far as the amount of lifting and pumping gear is concerned, were the most determined yet undertaken.

With a battery of pumps working at high pressure yesterday afternoon the Beulah began to rise to the surface and it looked as if the efforts of the salvors would be crowned with success, but when she got sufficient buoyancy the vessel started to keel over to port.

When that happened she was allowed to sink back to her berth at the bottom of the harbor. Hitherto the cranky ship has had a tendency to keel over to starboard. The added weight, in the form of old steel rails, placed in the hold to give stability to the rolling hull, caused the ship to swing in the opposite direction. If the pumping had proceeded it is probable that the vessel would have toppled over on the dock side, and in that position would have been much more difficult to raise.

PECULIAR MISHAP

One of the highlights of yesterday's afternoon proceedings was a mishap to the Canadian National industrial crane used in connection with the lifting operations from the dock.

Under the strain, a steel cable of the lifting arm broke and the big crane was catapulted backwards, one set of wheels being hoisted from the tracks. The engineer stayed at his post and gave his first attention to the fires as the crane, at a perilous angle, was prevented from toppling right over by the piles of lumber from the Beulah's deckload, which were stacked nearby.

The righting of the crane was under way this morning as Divers Collins and Young were

being lowered into the submerged hold to direct the replacement of the weights. When this is completed the hatches will again be sealed to permit pumping to be resumed.

The interest shown by the public in the salvage operations is indicated by the large crowds which daily go to Ogden Point to watch. Guards are still maintained to prevent people from getting within the danger zone.

Around the Docks

LUMBER ACTIVITY

There will be considerable lumber-loading activity at the Canadian National docks between and the end of the week.

Henry King, of King Bros., was busy today with C. W. Tourtelotte, superintendent of the docks, arranging for the berthing of carriers now due.

Ss. Idlesleigh is expected tomorrow morning from Port Alberni, and will load 700,000 feet.

Ss. Sinnington Court will be here Friday, and Ss. Norse King is due the same day from Cowichan Bay. She will load about 800,000 feet.

Ss. Anglo-Peruvian is expected on Saturday.

Ss. Navarin, which is taking 1,100,000 feet, is expected to get away for Vancouver tomorrow.

SUGAR SHIP ARRIVES

Laden with raw sugar from the Fiji Islands, Ss. Romney passed through quarantine at William Head at 8 today and proceeded to Vancouver.

Romney's cargo is destined for the B.C. Sugar Refinery.

DIET FOR PANDA

The chef of the Empress of Russia, due in Victoria on Saturday, is responsible for a diet of powdered milk, honey and cod liver oil, which is being fed to a Giant Panda cub during the voyage.

The frolicsome animal is in charge of Mrs. W. H. Harkness Jr., wife of the Tibetan explorer, who is taking it to the Chicago Zoo.

The figures for height serve to distinguish high water from low water. Where blanks occur in the tables, the tide rises or falls continuously during three of the usual tidal periods.

The height is in feet and tenths of a foot, measured from the average level of lower low water.

TRAVEL PICKS UP

Travel from the Orient shows indications of speeding up, with 425 passengers reported to be aboard R.M.S. Empress of Russia, Capt. J. F. Patrick, now under a full head of steam for this port and scheduled to arrive here Saturday morning.

Among those prominent on the liner's passenger list are Sir Charles and Lady McRea, of London, England, who are crossing Canada en route to England, and will connect with the liner Duchess of Bedford at Saint John, February 25, for Liverpool.

In the news will be Jim Marshall, special correspondent in China for Colliers', who was seriously wounded in the bombing of the Panay on the Yangtze last December.

Others aboard the Empress of Russia will include Mrs. John Alexis Alexander, wife of the British Consul-General at Shanghai and Miss Mary Chen, daughter of Jiam Chen of the Chase National Bank at Hongkong, proceeding to high school at Glen-dale, Calif.

TO JAMES ISLAND

After discharging European and California freight here on Friday, M.S. Lochkatrine of Royal Mail Lines will shift direct to James Island to discharge 500 tons of nitrate of ammonia consigned to the Canadian Industries plant in the gulf opposite Sidney. The Royal Mail ship, which carries 2,000 tons of cargo for British Columbia ports, is expected to arrive here Friday morning.

TO LOAD-FISH

Frozen salmon and doors, both Victoria products, will be forwarded to the United Kingdom by M.S. Dinteldyk of the Holland-America-Line, which is due here from Rotterdam and London February 21. The Dutch ship will berth at the Canadian National docks to load this freight and discharge inbound consignments. Frozen fish exports to London are being steadily built up by the Victoria Freezing and Packing Company Ltd.

AORANGI TOMORROW

Slipping back slightly on her previously announced arrival time, Canadian - Australasian motor liner - Aorangi, Capt. Thomas V. Hill, now reports she will make William Head at 6 tomorrow evening.

The liner is expected to berth at Pier 2, Rithet docks, about 7. All told, there are 240 passengers aboard the Aorangi, with 50 for disembarkation here.

GOES TO KOOTENAY

Appointment of L. E. Hamson as inspector for the Kootenay division with headquarters at Nelson to succeed George Wady, retiring on superannuation, was announced today by P. G. McLean, superintendent of Canadian Pacific Railway's communications department for British Columbia.

G. E. P. Walker, wire chief at Winnipeg, will arrive at Vancouver Thursday to relieve Mr. Hamson as chief operator.

SAILING ON JACKSON

Business men returning to the Orient to drum up trade and U.S. navy officers will form the pas-

senger list sailing across the Pacific next Tuesday by the American Mail liner President Jackson.

Edward H. Johnson, a distributor for a tobacco company with headquarters at Cebu, and Mrs. Johnson will be travelers aboard the liner accompanied by 4-month-old Jacqueline, adopted by the Johnsons from a founding home at Richmond, Va. They are visiting Jerry Henderson, who was purser of the Great Northern liner Minnesota when the vessel operated from Seattle to the Orient. Henderson is now a rancher at Wapato.

J. E. Covington, president of the Universal Leaf Tobacco Company of China, who only recently arrived here by a President liner from the Far East, will return by the Jackson. He is en route to Shanghai via Kobe.

C. J. Matmiller, a Seattle business man, will sail by the liner for Manila.

Naval officers booked for the President Jackson include Comdr. Everett L. Gayhart, wife and son, and Lieut.-Comdr. C. J. Pinger, en route to Manila.

GETS TRADE BERTH

M. A. Cremer, former U.S. trade commissioner to Brazil, has

been appointed to take charge of the trade development department of the General Steamship Corporation, it is announced from San Francisco.

C.N.R. ORDERS NEW-TYPE CARS

Cafe-sleeper Distinct Departure From Usual Type of Rail Equipment

MONTREAL—Orders for six new dining cars and 10 cafe-sleepers have been placed with the Canadian Car and Foundry Company Limited by the Canadian National Railways. All will be air-conditioned. They will be delivered in June.

Designed by Canadian National engineers and architects, the cafe-sleeper is a departure from the usual type of equipment. It will consist of eight sections, a double bedroom, smoking-room and ladies' dressing-room and, at one end a cafe with accommodation for 16 guests.

The new diners will have ac-

commodation for 40 persons, an increase of four over equipment now in use. In construction they will be 20,000 pounds lighter than the older type. But "while gaining the advantage of lighter weight, they will lose nothing in strength," John Roberts, chief of motive power and car equipment said. "They will be constructed of alloy steel."

Pointing out that cancer is a disease attacking horses, goldfish, trees, tobacco and other animals and plants as well as man, a physician says that cancer cannot be caused by any one kind of diet, as some theories hold, unless it is "a food eaten in common by all animals and plants."

**Parents Fail To
Aid Children**
EDMONTON (CP)—Modern
parents have failed to bring up
their children correctly, Mrs. A.
Balmer Watt, Edmonton, told the
University of Alberta Philosophi-
cal Society recently.

"Modern parents have no stan-
dards of their own. How can the
youth of tomorrow dream dreams
when all he sees about him is
ballyhoo, corrupt governments,
spineless individuals and material
things in the place of human
values?" she asked.

"We have given our children
sloppy thinking and easy stan-
dards of virtue. We have broken
down all the old bridges and what
have we put in their places?" she
demanded.

ST. LUKE'S A.Y.P.A.
A meeting of St. Luke's
A.Y.P. will be held in the parish
hall tonight at 8. Rev. S. Ryall
will take the service for the in-
stallation of officers. All mem-
bers are asked to make an effort
to attend this meeting.

**TO HELP KEEP
CHILDREN WELL
IN WINTER**

At the cost of a few cents a day you
can increase your children's protec-
tion against winter illness by adding
Hot, Cocomaal to their daily diet.
This delicious food drink supplies
elements that nourish, strengthen
and protect.

For example, Cocomaal supplies
generous amounts of Sunshine Vita-
min "D" which children are so
likely to fall short of in winter.
This vitamin is vitally necessary for
good health and good growth.
Cocomaal also furnishes iron to en-
rich the blood. Proteins for building
firm muscles. Calcium and Phos-
phorus for building strong bones
and sound teeth. Carbohydrates for
producing heat and energy.

Three hot cups of this protec-
tive food drink every day will help
keep your children well this winter.
For further important information
concerning the value of Cocomaal,
write to Scott Bathgate Co. Ltd.

New Regent Chosen By Chapter

Miss Jean McLaren
Heads H.M.S.
Resolution I.O.D.E.

Miss Jean McLaren was
elected regent of H.M.S. Resolu-
tion Chapter, I.O.D.E., at the
annual meeting held last evening
at the home of Mrs. Clifford Col-
lison, Newport Avenue, Mrs. C.
H. O'Halloran presiding.

Other officers were chosen as
follows: Vice-regents, Mrs. H.
Alan Maclean and Mrs. C. H.
O'Halloran; secretary, Mrs. Clif-
ford Collison; treasurer, Miss E.
K. Exham; educational secretary,
Miss Doris Holmes; Echoes sec-
retary, Mrs. D. K. Kennedy; coun-
cillor, Mrs. J. S. Oliphant. The
retiring regent, Mrs. O'Halloran,
and the retiring secretary, Miss
Marjorie Holmes, were pre-
sented with beautiful bouquets
of flowers.

The year's work was reviewed,
a good deal of educational work
having been done by the chap-
ter and help had been given to
needy families in the Peace
River district. A layette for a
needy family has just been com-
pleted and was on view at the
meeting. The sum of \$5 was
voted towards China relief.

Mrs. H. W. S. Soulsby was
named film convener, and Mrs.
O'Halloran nominated as national
councillor.

Duncan Chapter Chooses Regent

The Duncan Dogwoods Chap-
ter, I.O.D.E., held their annual
general meeting at the home of
Mrs. K. F. Duncan on Monday
evening, the vice-regent, Miss J.
Gooding, in the chair. Reports
were received and the year's
activities noted.

The election of officers for 1938
resulted as follows: Hon. regent,
Mrs. Curtis-Sampson; hon. vice-
regent, Mrs. H. P. Swan; regent,
Miss P. Petch; vice-regent, Miss
J. Gooding; secretary, Miss V.
Harris; treasurer, Miss H. Cas-
tyle; assistant secretary, Miss J.
Bateman; educational secretary,
Miss T. Clague; Echoes secretary,
Miss I. Fraser; distinguished visi-
tors, Mrs. R. Lendrum. Nomina-
tion for councillor, Miss Petch.

Final plans for the Valentine
dance on Monday next were
made. Miss V. Harris is in charge
of advertising and music; Miss
Gooding, decorations, and Miss
Q. Kennett, refreshments. Three
visitors were present at the meet-
ing—Misses L. Terry, J. Elliott
and Mrs. V. Bigwood.

During the evening a presenta-
tion was made to Mrs. Duncan
for her great kindness in lending
her home for the meetings on so
many occasions. Hostesses were
Misses U. Fawcett, J. Gooding, T.
Thorburn and H. Huby.

Mrs. F. E. Dowdall To Head Chapter

Mrs. F. E. Dowdall was elected
regent by acclamation at the
monthly meeting of the Dr. O.
M. Jones Chapter, I.O.D.E., held
last night at headquarters. The
annual meeting and election of
officers will take place on Sat-
urday afternoon at headquarters.
The sum of \$132 was spent
during January for milk to
under-nourished children in
public schools. A donation of
\$60 was presented to the chap-
ter for the milk fund.

It was announced that the
Founders' Day tea would be held
by the Municipal Chapter on
February 16 in headquarters and
members were asked to attend.

The engagement is announced
of Millie, youngest daughter of
Mrs. James Massey, San Diego,
Cal., and of the late Mr. Massey,
Peru, South America, and Mr.
Kenneth Barlow, son of Mrs. C.
Barlow, Arundel Drive, Victoria.
The wedding will take place on
February 25.

Yesterday afternoon Mrs. J.
K. Hodges entertained in her
suite at the Empress Hotel with
bridge and mah jong in com-
plicity to Mrs. Herbert Wilson of
Perth, Ont., who arrived in Vic-
toria recently on her annual
visit to the Pacific Coast.

Mrs. F. G. Hart and her three
children arrived in Victoria this
afternoon from Ottawa, and will
be joined here about the end of
next week by Commander Hart,
who has been transferred from
Ottawa to Esquimalt. Mrs. Hart
is staying with her mother, Mrs.
M. E. Harvey, Linden Avenue.

Miss Dorothy Simpson and Miss
Audrey Marshall were joint hos-
tesses at a surprise party for
Miss Lily Beckett, which was held
at the home of Mr. and Mrs.
Simpson, 1622 Camosun Street,
on Saturday evening. The guest
of honor was presented with a
corsage bouquet of pink carnations
and fern. Games and dancing
were enjoyed throughout the
evening. Dainty refreshments
were served at midnight. Those
present were Misses Lily Beckett,
Edie Martin, Winnie Oxendale,
Margaret Marshall, Sheila Coates,
Muriel Oxendale, Audrey Mar-
shall and Dot Simpson, and Mes-
srs. Stan James, Henry Neil-
sen, Bel Mumford, Sam Tanner,
Bob Stark, Roland Campbell and
Bob Eccles.

To Wed Car Magnate's Son

High social position and great wealth were linked in U.S. society
columns upon the announcement of the engagement of Miss Mar-
guerite (Peggy) Sykes of New York, above, and Walter P. Chrysler
Jr., heir to the great automobile fortune. The bride-to-be has been
called "the most sought-after girl in New York society."

Society

Mrs. Eric W. Hamber enter-
tained at a delightful luncheon
party at Government House to-
day. Covers were laid for 28 at
a table centred with a silver bowl
filled with an artistic arrange-
ment of spring flowers, including
tulips, daffodils, narcissi, iris and
freesias.

Mrs. E. C. Senkler, Orchard
Avenue, who has been visiting in
Tacoma for the last week, re-
turned home this afternoon.

Mrs. E. Popick of Portland,
Oregon, has come up to Victoria
on a visit to her son and daugh-
ter-in-law, Mr. and Mrs. Ben Pop-
ick, the Metropolis Hotel, Yates
Street.

Mrs. C. J. Prior, St. Patrick
Street, Oak Bay, and her daugh-
ter, Miss Marcia Prior, returned
this afternoon to Victoria after
spending the last week in Van-
couver.

Mrs. Gordon Woodman of Win-
nipeg arrived in Victoria this
afternoon from the prairie on a
visit to her son-in-law and daugh-
ter, Major H. L. Sherwood and
Mrs. Sherwood, Esquimalt. She
will spend a few weeks in Vic-
toria.

Weddings

FONS-RITCHIE

A quiet wedding was sol-
emnized on Saturday afternoon
at the residence of Mr. and Mrs.
A. J. Craddock, Alberni, when
Rev. H. C. Robinson united in
marriage Ruth McFarlane, young-
est daughter of Mr. and Mrs. T.
N. Ritchie of Vancouver, and Mr.
Axel Rasmussen Fons of Alberni.
Mr. and Mrs. Fons will reside in
Alberni.

CORRIGAN-PRYSNYK

All Saints' Anglican Church,
Port Alberni, was the scene of a
wedding on Saturday evening at
8, when Rose Clara, second
youngest daughter of Mr. and
Mrs. J. Prysnyk of Taylorton,
Sask., became the bride of Mr.
Frederick Thomas Corrigan of
Hedley, B.C. Rev. Glen Steven-
son officiated and the bridegroom
was supported by his brother, Mr.
Walter Frank Prysnyk, and Mr.
Walter T. Kallstrom.

Given in marriage by her uncle,
Mr. Frank Prysnyk, the bride was
attended by two flower-girls, Miss
Lillian Prysnyk, cousin of the
bride, and Miss Lillian Vikman,
and two bridesmaids, Miss
Sophia Prysnyk, sister of the
bride, and Miss Natalie Bodnar.

Following the service, a recep-
tion was held at the Sons of Nor-
way Hall, where a four-tiered
wedding cake centred the bride's
table, arranged with vases of
roses and lighted tapers. Mrs.
Frank Prysnyk, aunt of the bride,
received the guests. After a
short holiday at Victoria, Mr. and
Mrs. Corrigan will reside at Sec-
ond Avenue, Port Alberni.

Community Club Plans Socials

Fifty-four members were pre-
sent at the monthly meeting of
the Esquimalt Community Club
held on Monday evening. Mrs.
R. McVie presided and two new
members were welcomed. Re-
ports handed in by all conveners
showed that the club was keeping
up its friendly and charitable
work in the municipality and
many letters were read from
friends expressing appreciation
of the little attentions during
illnesses. Routine business was
disposed of and bills ordered paid.

Various activities have been
planned for February to aid the
funds, which have been severely
cut into by the winter work. A
card party will be held at the
home of Mr. and Mrs. T. Jen-
nings, 338 Victoria View Road, on
Friday, February 18, and a social
evening at Mrs. Raymond's, Es-
quimalt Road, on Friday, Feb-
ruary 25. Several novel forms of
entertainment have been planned
for the social and it is hoped as
many as possible will attend. A
rummage sale will be held on
March 5, place to be advertised
later.

An entertainment will be given
by Miss Enid Cole and the Cole
players tonight in the Rex The-
atre at 8. A good program will
be presented.

Tea was served by Mrs. Petrie
and her committee.

The Esquimalt subdivision of
the Catholic Women's League
was held recently in the Queen
of Peace Hall. Following the
reading of the financial report,
sick visiting and social welfare
reports were made. Plans were
discussed for an old-time dance
to be held in the hall after Lent,
the date to be arranged later.
The monthly card party will be
held on Monday, February 14.
Mrs. Gillespie presided at the
meeting.

ARE YOU ONLY A 3/4 WIFE?

Men can never understand a three-quarter
wife—a wife who is lovable for three weeks of
the month—but a full wife for the fourth.
No matter how your back aches—no matter
how loudly your nerves scream—don't take it
out on your husband.
For three generations one woman has told
another how to go "smiling through" with

Dr. Harper Will Address W.M.S.

Under the auspices of the
Woman's Missionary Society of
the Metropolitan United Church
an address is to be given in the
schoolroom of the church on Fri-
day evening. The lecturer will be
Dr. W. E. Harper, director of the
Dominion Astrophysical Observa-
tory, who will take for his sub-
ject, "Let's Look at the Stars."

The speaker plans to develop
the simplest facts that can be
learned from naked eye observa-
tion of the heavenly bodies. Then
with the aid of 40 or 50 excellent
photographic slides he plans to
conduct an imaginary tour
through the heavens. Consider-
able time will be devoted to sight-
seeing in the solar system before
pushing out into the starry depths
to view millions of suns similar
to our own. The lecture will con-
clude with brief descriptions of
western observatories where all
the largest telescopes are to be
found.

The W. A. of Emmanuel Epis-
talian Church held their regular
monthly meeting on Monday last,
February 7, at the home of Mrs.
A. S. Imrie, De Cosmos Apart-
ments, Mrs. G. Anstey presiding.
Miss M. Jamieson conducted the
devotional. After the business
session the guest speaker, Miss
Laurie, gave a very interesting
talk on the work of the Oriental
Home. Refreshments were served
and a social hour enjoyed by all.
The next meeting will be held at
the home of Miss M. Jones, Wal-
nut Street.

ACTRESS BETTER
HOLLYWOOD (AP) — A marked improvement in the condition of Simone Simon, French film actress, was reported today by attending physicians. The actress has been confined to the cedars of Lebanon Hospital for several days, suffering an attack of bronchial pneumonia.

Operated by an electric eye, a radio device to be carried aloft by a balloon has been developed by the United States Bureau of Standards to measure the safe flying height for aviators in foggy weather.

For Quick Cough Relief, Try This Home Mixture
Splendid Results. Saves Money. Easily Mixed.

You'll never know how quickly and easily you can overcome a bad winter cough, until you try this well known recipe. It gives you four times as much cough medicine for your money and you'll find it very pleasant and dependable, for real relief.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water, until you have a thick, sticky mixture. Add your syrup and you have 16 ounces of medicine that will surprise you by its quick action. It never spoils, lasts a family a long time, and tastes fine—children love it.

Fairfield Choir's Social Enjoyed

Musical items, games and a comic fashion show were interesting features of the successful social arranged by the Fairfield United Church Choir last night in aid of the organ fund.

The Georgian Trio, composed of Mrs. J. V. Meston, Mrs. D. B. Keir and Mrs. P. C. Richards, sang "Moonlight" (Mozart) and "Drink to Me Only With Thine Eyes" (Balf.). Mr. Thos. Lister was heard in monologue and a comic song, and Miss Isabelle Pike sang "The Lass With the Delicate Air" and "Old-fashioned House." Miss B. Hollins recited "He Tried to Tell His Wife" and "Lord Keating's Daughter," a parody on "Lord Ullin's Daughter." Mr. W. H. Ruffell was heard in vocal solos, "Invictus" and "Trooper Johnnie Ludlow."

At the conclusion of the program a comic fashion parade was held, in which Mrs. W. C. Warren was the winner. Refreshments were also served.

St. Saviour's Senior W.A. met in the guild room on Monday afternoon, February 7, with an attendance of 20 members and the president, Mrs. T. H. Evans, in the chair. The study period was taken by Mrs. J. N. Harper. Arrangements were made for a silver tea and donation party at the home of Mrs. H. W. Hughes, 415 Raynor Avenue, on Wednesday afternoon, February 23, at 3. After the meeting the members were the guests of the president at tea.

Y.W.C.A. Fills Valuable Place In Community

More Girls Than Ever Using It as Centre, Annual Reports Show; Educational, Social Service, and Recreational Aspects Reviewed

Over 200 free beds and 300 free meals were supplied by the Y.W.C.A. last year to girls and young women who, because of unemployment or other reason, were unable to pay.

This was but one of the items of social service rendered to the community last year by the Y.W.C.A., according to the splendid reports presented at the annual dinner meeting held last night at the institution. Mrs. B. S. Heisterman, the president, was in the chair.

COMMUNITY ASSET
Miss Helen Kirkwood, general secretary, pointed to the increase in the number of girls using the "Y," and its ever-widening scope as a medium for the healthier and happier adjustment of girls and young women. The "Y" was now recognized as a real community centre, filling an important place in the life of the city, and revealing an expansion in its sphere of usefulness which must before very long call for an expansion of accommodation in the premises.

Reference was made to the valuable work done by the various committees, including finance, membership, social, personnel, annex, residence, girls' work, educational, household training, travelers' aid and social service.

TRAVELERS' AID
In the annex, more permanent residents had been accommodated than ever before, with 465 transients, and 83 free beds supplied. The Travelers' Aid secretary, Miss Scholefield, had reported 627 persons assisted during the year; help being given irrespective of age, sex, religion or nationality.

The social service work had included personal counseling, in addition to 200 free beds and 300 free meals, to jobless girls, and the employment service had also proved of great help to the girls. The residence itself had provided a meeting place for those without their own homes, and the total accommodation for 36 had been occupied by an average of 23 permanent residents each month. The total number of meals served was 37,867 and, in addition, 35 outside groups were catered for. On the occasion of the annual Christmas dinner, 148 persons attended.

Girls' Work

The girls' department had advanced more rapidly than any other department in the "Y," and now numbers five weekly club groups, with a membership of 120, and 12 interest groups, which touch about 225 different girls.

In addition to these groups, all of which except the gym and the swimming ones, meet in the Y.W.C.A., there are four vocational classes in which the "Y" co-operates with the provincial government to train girls in housework, dressmaking, salesmanship, and shorthand and typing. Nearly another 200 girls have been helped by these classes, and many have obtained good positions, and many more, temporary Christ-mas work, because they were prepared when the opportunity came, Miss Kirkwood noted.

The secretary paid tribute to the valuable assistance rendered by the voluntary workers, for their active interest, and to the board members, press and the various organizations who co-operate with the "Y."

Later in the program, Miss Kirkwood spoke on the theme, "Youths' Challenge," dealing with some of the findings at the recent Students' Conference in Winnipeg, and showing its relation to the work being carried on by the "Y."

Dr. Olga Jardine, convener of the nominating committee, presented her report, showing that Mrs. B. S. Heisterman, Dr. Jardine, Mrs. H. M. Cassidy, Miss Agnes Spencer, Mrs. Roy Angus and Mrs. R. T. Wallace had been elected to serve a three-year term on the board. The election of officers and committees will take place at the meeting of the board on Friday afternoon.

Alderman James Adam conveyed greetings from the city and congratulated the board on the excellence of its service to the community, particularly along the lines of assisting in the training of young girls along various lines.

Mrs. Heisterman, the president, welcomed the guests, and Rev. E. A. Whitehouse led the gathering in prayer.

PRESIDENT'S ADDRESS

Mrs. B. S. Heisterman, in her presidential address, pointed with pride to the increase in the num-

ber of girls using the "Y." She spoke of the recently-acquired Practice House for the use of girls taking the household training course. Thanks were tendered to the board members, the staff and to the various organizations for their support of the various undertakings.

Miss Elsie Peters conveyed greetings on behalf of the Girls' Council, expressing the thanks of the girls to the board for the efforts made on their behalf. She also introduced the officers of the council to the gathering.

The financial statement was read by Dr. Olga Jardine in the absence of the treasurer, Mrs. J. Baxter.

Girls' Council

The "Y" Girls' Council, through the medium of a novel model meeting, presented "Program's Progress," reviewing the social service, education, cultural and physical activities of the group, after pronouncing their creed in unison.

Mrs. Allon Peebles contributed a group of vocal numbers, singing two charming Maori songs, followed by an amusing number, "Henry King." Mrs. G. A. McCurdy ably accompanied her at the piano.

The dinner tables were attractively arranged with daffodils and tulips, cards marking the place of each of the special guests.

News of Clubwomen

The monthly business meeting of the Margaret Jenkins P.T.A. will be held on Monday evening at 8.15 in the school.

Esquimalt Women's Institute will hold its usual card party Thursday evening at 8.15 in the Farish Hall, Esquimalt.

The Victoria Women's Institute will hold a Valentine bridge tea tomorrow afternoon at 2.30 in the institute rooms, Fort Street.

The local association of Victoria East Girl Guides will meet on Thursday evening at the home of Mrs. Curtis Sampson. All monies, and unsold tickets for the recent concert should be handed in to Mrs. McKechie for the final accounting.

In aid of the funds of the Sacred Heart Church at Lake Hill a progressive 500 card party will be held in the Lake Hill Community Hall tomorrow evening at 8. Bridge will also be played. There will be prizes for cards, as well as tombolas and refreshments.

A silver tea will be held on Friday in the Margaret Jenkins school under the auspices of the Margaret Jenkins P.T.A. The entertainment and refreshments will be prepared by the senior girls of the school. The proceeds are to be devoted to the school library fund. The tea will start at 3.30.

The February meeting of the Metropolitan Chummy Club was held at the home of Mrs. E. Williams. The president, Mrs. A. H. Adams, was in the chair. Mrs. E. Whitehouse had charge of the devotional period, and gave an inspiring message. Final plans were made for the Valentine tea to be held February 16. Mrs. B. Hetherington introduced the speaker for the evening, Dr. Henrietta Anderson, who gave an instructive address, her subject being, "For or Thought." Refreshments were served by the February group. The next meeting will be held at Miss F. Bailey's, 803 Cook Street.

The monthly meeting of the Athena Club was held at the home of Mrs. J. Stobart, Meadow Place, Monday evening, 20 members being present. After the business a program, under the joint convener of Mrs. F. R. Dredge and Mrs. C. Gibbard, was presented. The first part of a Valentine note, and included a description of best-known love songs, English, Scotch and Irish, with a rendition of these by members of each nationality. The last half took the form of a humorous sketch, entitled "A Delicate Situation," ably presented by Mrs. F. Mull-holland, Mrs. C. Gibbard, Mrs. R. Young and Mrs. R. T. Murphy, much to the enjoyment of those present.

Tip Top Manager Leaves For East

P. H. Winn, manager of the Tip Top Tailors Limited, 650 Yates Street, left Victoria yesterday to attend the annual convention of the Tip Top Tailors store managers to be held in the Royal York Hotel in Toronto for four days beginning February 13.

The convention will serve as an occasion first for displaying

to the Tip Top selling force the new style ideas and fabrics for the spring and summer season. It is expected that a highlight of this part of the convention will be a showing of several Tip Top models which were displayed last month in New York at the 58th semi-annual convention of the International Association of Clothing Designers. Tip Top Tailors was the only Canadian manufacturer whose style models were shown at this event. Re-

ports show that the models conceived by the Canadian firm practically "stole the show." In addition to a visual presentation at the Toronto convention there will be a series of discussions conducted by key executives. The mer will be taken on a tour of the Tip Top's model plant on Fleet Street, skirting the lake front. Among the executives who will address the convention will be: D. Dunkelmann, president; H. R. MacKechnie, general manager, and A. M. Talbot, general sales manager.

Victoria Crew Third In Empire Meet

Sports Mirror

By PETE SALLAWAY

SONNY Buxton, Victoria's heavyweight scrapper, will make another start in Vancouver tonight against Chuck Nickason, hard-punching mainlander. If the choice phrases the lads have been throwing at each other since Buxton arrived in the terminal city on Sunday, are any indication, then the bout will not last long. Buxton says he will finish Nickason off in five or six rounds while Chuck comes back with the statement the fracas will not go that long.

Buxton, according to his father "Tich," who is acting as his manager, trainer and so forth, is in tip-top shape. The local boy has been working on the rock pile at Albert Head as a member of the crew constructing the defence fortifications and is down to 178 pounds, his perfect fighting weight. Buxton will be making his first ring appearance since he dropped a decision to Eddie Westob. Tonight's bout may mark the turning point in the careers of both lads. Pop Foster and Jimmy McLarnin are reported interested in Nickason and are willing to take him to California for bouts if he can get over the Victoria boy. Defeat for Buxton will just about mean his finish around these parts. On the other hand, if he can pull through with a victory there will likely be a spot for him on one of Nate Druzman's cards in Seattle.

Got a card today from Chief Thunderbird, Victoria's well-known Indian heavyweight, mailed from Philadelphia. The Chief states he has a number of important matches lined up and before his current eastern invasion concludes he hopes to get a crack at the heavyweight championship at present held by Bronko Nagurski, former American football star. Thunderbird has become quite popular in eastern rings and established himself on his last visit when he gave a great exhibition in a one-fall match with Jim Londos, former champion.

Victoria's basketball referees who handle the exhibitions between the Dominos and touring outfits should come up-to-date and adopt a set of signals when fouls and other calls are made. All big-time officials in both the east and west are now informing the spectators with signals which certain calls are made. Only about five signs are necessary, and they are simple and easy for the cash customers to understand.

Such a plan would eliminate a lot of the bores the referees draw down on their heads. It is common knowledge that the greater number of fans are not familiar with the rules and often boo and hoot over a call when they have no idea just why it was made. If the officials would take the trouble to educate the public to a set of signals a percentage of their troubles would be eliminated.

Sally Dunn, telephone operator at Madison Square Garden, is firmly convinced that Sonja Henie is the greatest box office attraction in sports. So many calls were received at the Garden for information on the Hollywood Ice Review that Miss Dunn became "temporarily deaf" and had to consult a specialist. It was estimated that 18,000 calls were received concerning the show.

City Oarsmen Lose To Australia and New Zealand Fours

Smoother Antipodean Stroke Beats Bays in Well-contested Race

Weather Bad

SYDNEY — Long-stroking Australian oarsmen showed their sculling power on the Nepean River today, taking two Empire titles and an invitation race of the four events in the one-day regatta of the British Empire Games. The other championship went to England.

The easy stroke of the Australians gave them victories in the fours and singles events and another win in an invitation doubles race which did not count as an Empire title. England's powerful crew took the eighth event by a bare three-quarters of a length, and her singles man, P. Jackson, was second in that event, behind H. Turner of Australia.

Canada's lone entry, a four-oared crew from Victoria coxed by a 14-year-old Vancouver boy, failed to live up to predictions of Australian critics and finished third, three-quarters of a length behind New Zealand in the fours. It was the only event Canada entered.

The Canadians—Cox Kenny Jaggard, Don Davis, Jack McDonald, Jimmy Temple and Max Winkler—fought New Zealand all the way down the historic river course in a driving rain for second place, as Australia led practically throughout. They made a great effort to pull up at the finish, but failed to match the smooth power of the New Zealanders, who were only a length and a quarter behind the Australians.

New Zealand pulled into a lead as the crews shot away into a head wind and a driving rain at the start. After the first 100 yards Australia took a short lead.

ALTERNATE IN SECOND PLACE

Canada and New Zealand's crew of Cox G. Burns, O. Clayton, A. Hope, K. Boswell and J. Rigby, alternated in second place over the first quarter mile. At that mark Australia led by a quarter of a length and was stroking 38 to the minute. The New Zealand men were pulling 36 and the Canadians 40 strokes to the minute.

Australia improved her position as she progressed, doing the half mile in 2:44 where her stroke was slackened to 34. Canada at 38 was still holding New Zealand's crew, stroking 34.

Three-quarters of a length separated Australia and Canada at the three-quarter-mile mark as the Canadians, doing 36 to 38, pulled into second place for the first time, half a length ahead of New Zealand.

The Australians turned in 5:39 for the mile, where they were (Turn to Page 13, Col. 3)

To Crown Cage Champs Tonight

A pair of championships will be decided tonight at the High School gym when cage squads continue their bids in post-season playoffs. Deadlocked at one game apiece, Hoyle-Brown and Liberty Cafe will be out to bag the deciding win and the title in the senior B men's division.

Spencers and Mount Talmie C.C.F. tied in their best-of-three series, will be after the senior C men's title when they meet in the second game, while Canadian Scottish and Kingham-Gillespie will open their intermediate A boys' title campaign in the curtain-raiser starting at 7:15.

DEAN BREAKS HIS SILENCE

Dizzy Announces He Wants \$20,000 Salary Check From St. Louis Cards

BRADENTON, Fla. — Dizzy Dean broke his unaccustomed silence today to indicate he was anxious to smoke the pipe of peace with officials of the St. Louis Cardinals to the tune of a \$20,000 contract.

That amount would represent a \$5,500 reduction from the salary the hurler said, he received in 1937, and is just \$10,000 more than the Cards are reported to have offered.

Dean said he had not heard from the Cards since January 14, when he returned unsigned their first contract, but he expressed hope terms could be reached without delay, "because I'm anxious to go into training on the first day and get ready for a return to form."

"I'm not being stubborn about this thing," the pitcher added. "If Mr. Rickey (Branch Rickey, St. Louis vice-president) invites me to meet him in St. Petersburg or anywhere else in Florida to discuss terms, I will accept."

The right-hander had his worst season last year, winning 11 and losing nine games. He was bothered with a sore toe, injured in the all-star game in midsummer.

Canadian Bowls Team Is Beaten

SYDNEY — Canada's lawn bowling team today lost to Australia for third place in the rinks competition of the British Empire Games bowling schedule.

The team of Bob Gray, skip; John Fleming, Ab Reid and Dick Adam, all from Vancouver, tied for third by defeating Australia 21-20. But the Antipodean bowlers, skipped by Kinder, reversed the tables in the replay to win 30-10.

Will Investigate Steele's Victory

New York Boxing Commission Will Probe Turner's First Round Knockout

ROCHESTER, N.Y.—Brig. Gen. John J. Phelan, chairman of the New York State Athletic Commission, promised today an investigation of Middleweight Champion Freddie Steele's first-round knockout of Bob Turner last night.

Steele dominated the Newport News, Va., fighter four times in winning the battle in two minutes and 17 seconds of the first round. It had been scheduled as a 10-round

over-weight match. Steele weighed 158 and Turner 162, two pounds over the middleweight limit.

The champion put Turner on the floor three times before the knockout.

Phelan, who saw the bout, said he had ordered Turner's purse withheld and the commission would start an immediate investigation.

A crowd of 2,500 persons started booing when Turner hit the canvas the first time and kept up the din for almost 15 minutes, preventing the announcer from introducing the principals of the semi-final, which followed the main event.

In his dressing room, Turner, who recently defeated Carmen Barth, said Steele's first right-hand punch sized him.

Boston-Amerks In Hockey Victories

Bruins Whip Luckless Chicago Hawks; Americans Turn Back Maroons

The New York Americans waved back into the Stanley Cup playoff scene by Sweeney Schriner's magic scoring wand, seem on their way to prove a hockey team can be lighthearted and still earn a crack at the world title.

All season the Amerks have gone about their work in the National League with grins on their faces, mocking more serious clubs playing life and death roles. Their faith in themselves was justified to some extent last night when they defeated Montreal Maroons, 3 to 1, in Madison Square Garden for their first win since January 2. Maroons also were their victims then.

For the New Yorkers the victory was something more than just another hockey game won. It broke their slump, snapped Schriner out of the scoring doldrums and shot them five points up on Maroons, their opposition for a playoff place.

While Americans were strengthening their hold on the Canadian division third spot, Chicago Black Hawks lost an opportunity to move away from Detroit Red Wings in the American division. They were beaten, 3 to 1, by Bruins in Boston, increasing Wings' chances of soon wiping out the half game that separates them from Hawks' American section third place.

SCORES TWO GOALS

Schriner scored two of the American goals against Maroons, as many as he scored in the 10 games before last night. After he had marked up his first in the middle period, Bob Gracie tied the game in the third, and Happy Emms got the winner. Then Schriner scored with less than three minutes to play and made sure of Amerks' fifth win over Maroons in as many starts this season.

For the Boston game Hawks were without Louis Trudel, Mush March and Art Wiebe, while Dit Clapper and Ray Gettiffe were off the Boston lineup with injuries.

The "kraut" line from Kitchener, Ont., figured in two of the Bruins' goals. Buddy Bauer scored in the second period and set up the last goal of the game for his linemate, Porky Dumart. Art Jackson got Bruins' second and Bert Connolly scored the only Hawk marker.

SUMMARIES FOLLOW:

BOSTON-CHICAGO

First period—No scoring. Penalty: Connolly. Second period—1. Boston, Bauer (Schmidt), 4:15. Penalties: Connolly, Shore. Third period—2. Boston, Art Jackson (Welland), 2:30; 3. Chicago, Connolly (Seibert, Voss), 11:44; 4. Boston, Dumart (Bauer), 12:30. Penalty: McKenzie.

AMERICANS-MAROONS

First period—No scoring.

Rex Carey In Victory Today

Victoria Middleweight Decisions Australian to Finish Third

SYDNEY — Canada today claimed third place in the British Empire Games middleweight boxing division, but was eliminated in two other classes.

Rex Carey, blond hard-punching middleweight from Victoria, won on points from L. Stubbs of Australia to claim Canada's first placing in the boxing.

Billy Brade of Winnipeg and Norman Dawson of Vancouver both lost decisions.

Brade was outpointed by J. B. Dillon of Australia in the battle for third place in the bantamweights and Dawson lost a decision to S. Tsurin Danis of Southern Rhodesia in the welters.

Jack Whelan of Vancouver was defeated twice today in the heavyweight wrestling class, leaving Terry Evans, Toronto middleweight, sole Canadian hope for an Empire mat title.

Boxing finals are scheduled for tomorrow with wrestling to wind up Friday.

Bob Pirie Gives Brilliant Display

Toronto Swimmer in Sensational Form to Win Two Empire Titles

SYDNEY (CP)—The flailing arms of Toronto's Bob Pirie carried him to two championships in the British Empire Games swimming program today, and narrowly missed annexing a third title to Canada as he turned in as dazzling a performance as Sydney swim fans have ever seen.

The rangy Toronto boy opened the day with a record-breaking victory in the 110-yard freestyle, clipping 1.2 seconds from the mark he established for the new Empire distance in Monday's heat. He cracked the Australian 220-yard mark and his own Canadian record-time for the distance when he failed by two seconds to overcome on the last lap England's lead in the 880-yard relay.

Then he climaxed the program with another record-smashing victory, clipping 5.2 seconds from the eight-year-old 440-yard freestyle time of 4:59.8.

A capacity crowd of 4,500 watched the Toronto ace put on an inspired burst of speed in the last 30 yards to defeat England's speedy Robert Leivers and Robin Biddulph, young Australian sensation, in the 440-yard event.

Pirie's 110-yard triumph was a prelude to a brilliant exhibition by a quartette of Canada's diving stars.

LYNDA ADAMS SECOND

Diminutive Lynda Adams of Vancouver placed second to Irene Donnett of Australia in the women's springboard with Marie Sharkey of Calgary third and Barbara Richards, Winnipeg, fifth.

The Australian girl won with 91.18 points and Miss Adams was awarded 88.27 in judging that brought outspoken criticism from Canadian spectators for the disparity in points, ranging in one instance from nine points to one when the Vancouver girl was performing. Consensus of expert opinion was that Miss Donnett won by a narrow margin.

Miss Sharkey had 81.66 and Richards 69.18.

Miss Adams was announced second in the high tower diving, won by L. Hook of Australia with 36.47 points. The diminutive Vancouver diver compiled 36.39, but to competent critics she de-

GEHRIG ASKS FOR \$41,000

New York Yanks Get Another Holdout When First Baseman Seeks Raise

NEW YORK — Florida's spring sports program was assured another four-star attraction yesterday when Colonel Jake Ruppert and Lou Gehrig defied each other, formally.

The colonel, surrounded by his brewery, offered Lou another \$36,000 to play with the New York Yankees the coming season, and got snubbed. Lou, still wearing his hair long and otherwise showing the Hollywood influence, said he would play for \$41,000, or an increase of 15 per cent.

They came out of it, the millionaire brewer and the hard-hitting first baseman, swearing no compromise was possible. This was taken to mean that they would get together at St. Petersburg about March 15 and sign the papers.

If anything, Ruppert impressed observers as being in a more stubborn frame of mind than his 35-year-old employee. He said, positively, he wouldn't pay Gehrig another cent; also, that his other noted holdout, Joe DiMaggio, could perform for the \$25,000 offered him or stay at home.

BRADENTON, FLA. — DIZZY DEAN BREAKS HIS SILENCE

Dizzy Dean broke his unaccustomed silence today to indicate he was anxious to smoke the pipe of peace with officials of the St. Louis Cardinals to the tune of a \$20,000 contract.

That amount would represent a \$5,500 reduction from the salary the hurler said, he received in 1937, and is just \$10,000 more than the Cards are reported to have offered.

Dean said he had not heard from the Cards since January 14, when he returned unsigned their first contract, but he expressed hope terms could be reached without delay, "because I'm anxious to go into training on the first day and get ready for a return to form."

Life of the Buddha

About 600 years before the birth of Christ, a child was born in central India. Many others were born on the same day, but the one of whom I speak was of great importance. He came to be called Gotama (also spelled Gautama) and still later was known as "the Buddha."

Many stories have gathered around Gotama. Here is an example, as told to me by a Buddhist of Ceylon:

Part of giant statue of the Buddha at Aukana.

"When the Buddha was born, there was an earthquake. It did no harm to anyone. In fact it did good. It made the blind to see, the deaf could hear, the dumb could speak, and the lame could walk."

We need not believe such a tale, of course, but it has been told far and wide among the Buddhists. Many, if not most, of them look on it as a true story.

Gotama was the son of a king who ruled one section of India. He spent his boyhood and young manhood as a prince in his father's palace. When he reached an age to marry, a wife was chosen for him, a young woman of great beauty.

The palace grounds were large, and the prince did not go outside them until he grew to young manhood. Then he was taken to the outside world in a chariot. During the trip, he saw an old man who stooped far over as he walked slowly along.

"What is the matter with that man?" asked the prince.

"He is old," replied his charioteer. "All men must grow old."

"Take me home," said Gotama, "my eyes have seen enough for this day."

In the palace, he brooded over old age. It seemed to him sad that all people had to grow old. Later he made other journeys, and saw a man who was sick, and another who had died and was about to be buried. These sights made his sadness greater.

For weeks and months the prince thought of what he had seen. Then he said to his wife and to his father:

"I want to go away—away from the palace and live as a poor man. I want to find the answer to the question of why there should be old age and sickness and death, and of how we can keep these things from making us sad."

HOROSCOPE

"The stars incline, but do not compel."

THURSDAY, FEBRUARY 10, 1938
Astrologers read this as an uncertain day in planetary direction, but the aspects appear to dominate after the early morning hours.

Men and women who exercise authority should find this a fortunate rule of the stars. While those in high place may be often misjudged, there will be a more kindly attitude toward them as envy and jealousy slowly disappear.

Women are subject to a sway making for broader vision and better understanding of modern social problems. They will render united service in many public movements.

Warning is given that motives may be misinterpreted and efforts thwarted through selfish ambition on the part of unscrupulous persons. The universal brotherhood idea should be stressed in business and politics.

Batman still continues to disturb working men's organizations, but there may be growing evidence of harmony in union ranks where rivalries cause dissensions.

This is read as a lucky wedding day. Brides of this date may be fortunate in attaining wealth and coveted social recognition.

Shopping is likely to be successful under this configuration. Dress is to assume even more importance to women than it has at any recent period, the stars predict.

American girls are to gain increased fame for their beauty and at the same time will grow their ability to perform real feats of daring in business, the professions and sports.

Persons whose birthdate is 11 have the augury of a year of fair fortune. Young folk will contribute to the happiness of their elders. New friends are promised.

Children born on this day probably will be kindly, intellectual, nervous, high-strung and independent. Subjects of this sign may gain lasting fame through special gifts.

Charles W. Bryan former governor of Nebraska, was born on this day. Others who have celebrated it as a birthday include William Allen White, editor, 1866, and Charles Lamb, essayist, 1731.

A new state-controlled company in Germany organized to mine and smelt iron ore will devote its initial activities to exploiting low-grade dogger-ore deposits, believed to contain hundreds of millions of tons.

Husbands and Wives Should Be "Traders"

Dorothy Dix

One Way to Make Marriage a Success

I OFTEN WONDER if it would not go a long way toward making marriage a success if every husband and wife were a good horse-trader. By that I mean for married couples who wrangle over their different tastes and desires from the altar to the divorce court or the grave, to bargain with each other over their subjects of conflicts and swap grievances for privileges.

Sounds cockeyed, of course, but it might work, for all of that, because it would eliminate, for one thing, the bogey-boo of matrimony, which is the fear of being bossed, and, for another thing, each would get something in return for what he or she gave up. And, for a third reason, it would take the inevitable sacrifices of connubial life out of the martyrdom class and turn them into sporting events in which both the husband and wife would be on their mettle to see which could put something over on the other.

The chief complaint, for instance, that men have against their wives is nagging. Harping forever on the same string. Never letting a subject rest. Dragging old mistakes, old shortcomings, old falls from grace out of their graves after they should have been buried and forgotten for years and years.

Probably there hasn't been a man since Eve drove Adam into eating that fatal apple who hasn't thought that nagging was the worst fault a wife could possibly have, but no one has ever been able to do anything about it. No husband has ever stopped the nagging wife or cured her of the habit.

But suppose one had a good trading proposition to offer her. Suppose he could say to his wife: If you will tell me a thing once and let it ride; if you will lay off about the time I came home pie-eyed from a stag banquet; if you will never mention to me again the \$50 I lent Tom that he never paid back, and if you will let me eat what I like in peace without telling me how bad it is for my stomach, I'll never say another word about your being a bum cook and a rotten manager, and I'll throw in a diamond clip to boot.

Another chronic grievance of men is being kept on a leash, so to speak, by their wives, but all that most of them have ever been able to do is just to wear their collars and sit up and beg, roll over and play dead, at their wives' commands. But suppose a husband would say: How would you like to swap me a little personal liberty for some of yours? It must be as wearing on your nerves to have to ask me for every penny, if you can buy a new hat, or go to see your mother or join a club as it is to me to have you pick out my clothes and force me to give an alibi for every minute I am absent from you, and have to lie to you about a customer when I want to stay downtown to dinner with the boys. What say we trade even and give each other a little freedom?

The thing that turns marriage to cinders, ashes and dust to most women is their husbands taking them for granted. Never paying them any compliments. Never handing them even a word of soft talk. That is what sends wives to the Wailing Wall and makes husbands wonder what's the matter with a woman who has a stomach full of good food and a Paris importation on her back and still not satisfied, but not all the tears and lamentations of millions of wives have turned a single go-getter into a Clark Gable.

But suppose a wife could appeal to her husband's business instinct instead of his sentiment. Suppose she could go to him and say: What I'm short of is a little love and appreciation and a few signs that you still regard me as a sweetie instead of a combination vacuum cleaner, cookstove and household convenience. I will trade you a lot of filet mignon for a few white hyacinths, for I am hungry for romance, not beefsteaks. And I'll swap you peevishness and fretfulness and milliners' and dress-makers' bills for a daily kiss that is a caress instead of an insult. And if you know a bargain when you see one, you had better snap this one up. How about it?

And suppose husbands and wives would trade on the little things, on offsetting one unpleasant habit against another, on swapping curl papers for reading the newspaper at breakfast, on going to the movies for keeping off of a religious argument, etc. Wouldn't it be better than the perpetual domestic fights that always end in a draw?

Normal School Presents Play

The regular literary society meeting of Normal School was held on Friday afternoon, with Bernard Webber, president, in the chair.

Walter Stuart gave a resume of the week's news, highlighting events in China and the Mediterranean and ending with amusing local Normal School notes.

The musical part of the program was contributed by Miss Phyllis Walked, who played a piano selection from "Il Trovatore"; Miss Kay Galleher, who sang "Summertime"; and W. Horrocks, who played two violin solos, "In a Monastery Garden" and "Serenade." He was accompanied by Miss May Voisey.

An interesting comment on the Will Rogers memorial, which was told by Miss Phyllis Walked, gave an international note to the meeting, and was continued by L. Borna, whose book report on G. Clarke's book, "The Great Wall Crumbles," gave the students an insight into affairs in China. A one-act play, "Mrs. Adis," by Sheila Kay-Smith, was introduced by Don Roberts, president of the dramatic club. This play, directed by Miss Kay Dewdney, assisted by Harold Braathen, had the following cast: Mrs. Adis, Grace Allen; Vidies, Arthur Macey; Peter, Tommy Mayne; Hobden, Gordon Hughes; Kemp, Harold Barnett. Those in charge were: Costumes, Miss Marie Williams; properties, Miss Sawyer; makeup, Miss Bartholomew; stage manager, Mr. June, assisted by Mr. McCall and Mr. Manifold.

The committee of First United Church congregation continued its plans for the finding of a successor to Rev. Dr. W. G. Wilson as pastor of the church at a meeting yesterday evening, when a special committee was named to scan a list of candidates and report back. Those appointed to the committee were: Prof. E. S. Farr, Mrs. A. S. Christie, John Goldie, Alexander McKeachie and Neil Perry.

GYROS HEAR OF FAME OF CITY

American Tourists Become Boosters, Says International President

Some idea of the popularity of Victoria as a summer traveling centre among various cities of the United States was given members of the Gyro Club by their international president, Ellis worth A. Roberts, St. Paul, who, with Mrs. Roberts, paid a brief visit to the city yesterday, during the course of an official Gyro tour. Mr. Roberts was guest speaker at a dinner meeting in the Empress Hotel last night.

"Victoria has a wonderful reputation wherever I have been, and I have heard nothing but kind remarks about it," Mr. Roberts said. Everyone who had been here from the United States was an unpaid booster of the city, and many were instrumental in having their friends take vacations here.

Mr. Roberts is now on a tour of the western clubs, having visited clubs at Winnipeg, Regina, Saskatoon, Edmonton, Calgary, Kamloops, Vancouver, New Westminster and Nanaimo on his way to Victoria.

In a general review of Gyro activities he boasted the organization now boasted about 5,000 members in 100 clubs. These were equally divided between Canada and the United States.

He urged attendance at the international convention in New York from July 11 to July 17 this year, and said next year the international gathering would be held at Jasper Park, with the Edmonton club as host.

Following the dinner a reception for Mr. and Mrs. Roberts was held in the lounge room of the Dominion Hotel, where local members and their wives were afforded an opportunity of meeting the international head and Mrs. Roberts.

Bureau's Annual Meeting Monday

The annual meeting of the Victoria and Island Publicity Bureau will be held Monday in Spencer's dining-room at 12.10.

Apart from the election of officers, the annual meeting will deal with the tourist business of Victoria with special reference to its financial value to the business men of this city.

Edward Rowbottom, deputy minister of the Department of Trade and Industry of the provincial government, will address the gathering. His topic will be "Tourist Travel as a British Columbia Industry."

Tickets for the luncheon may be reserved by phoning E 7191.

Ganges to Have Court Tomorrow

County Court to Go to Salt Spring Island to Try Case

County Court will move tomorrow to Ganges, Salt Spring Island, for the first speedy trial there in the memory of many of Victoria's long-established barristers.

Judge H. F. Shandley, with his court officials and counsel for the crown and the accused, will leave in the morning by bus and ferry for the island hearing of a case in which William Hele is charged with being in possession of a two-year-old heifer, allegedly stolen.

Charles Nelson is informant in the case. Mr. Nelson, formerly of Salt Spring Island, left that section of the country to farm in North Saanich. Returning to Salt Spring to collect three heifers he had left there in pasture, he found only two.

Court will be held in the hall over a restaurant.

Health Budget Up This Year

Estimates Call For Expenditure of \$948.33 Above 1937

Draft estimates for the health department, exclusive of the Isolation Hospital, call for an expenditure \$948.33 above those of 1937, Alderman John A. Worthington, chairman of the health committee, announced today.

Last year, according to the estimates, the department spent \$17,027.39. That was \$490 over the estimate for 1937 owing to increased demands for medicine for indigents.

The 1938 estimate stands at \$17,975.92. The increase is made up partially by the larger appropriation required for salaries and by a vote for the purchase of a new car on which an old machine would be turned in.

The Isolation Hospital issue is scheduled for consideration at a meeting of the health committee tomorrow.

SCOTS' VALUE TO DOMINION

Contribution to Canada Stressed By Dr. Carrothers

The value of the Scottish strain of blood among Canadians was stressed by Dr. W. A. Carrothers when he addressed a meeting of the Victoria Burns Club, at the Chamber of Commerce Auditorium, last night.

Their essential qualities of thrift and economy, their firm belief in democracy, their natural business ability—these gifts, Dr. Carrothers said—would support a true Canadianism and be a bulwark against any attempt at dictatorship.

In every field of endeavor in Canada, the Scots people had left their mark, the speaker said. They made excellent pioneer settlers, they were first and foremost in exploration and banking; they had taken leading parts in politics, in educational and church fields and had played a great role in the building of transportation.

For centuries Canada had been closely linked with Scotland, Dr. Carrothers said. In the early colonizers that came from France was Scottish blood, because of the friendly relations of France and Scotland.

The Hudson's Bay Company, which had done such a great deal towards the prosperity of Canada, was operated largely by Scots, after its start by Prince Rupert. Then there were Fraser and Mackenzie, McLaughlin, Tolmie and Douglas—all of them Scots. The first Roman Catholic bishop in Canada was a Macdonnell, Dr. Carrothers said. Sir John A. Macdonald, who rose to be one of the fathers of Confederation, arrived in Canada an immigrant boy from Scotland in 1821. The grandfather of Premier Mackenzie King had also come to Canada from Scotland.

W. B. Grant, the president, occupied the chair and presented to Mrs. George C. Grant an honorary life membership in the club, accompanied by the warm wishes of the members. Mrs. Grant has been a member of the club's sick committee for years, and has given splendid service, Mr. Grant said.

An enjoyable entertainment programme was given by Mrs. W. R. Gunn, Clifford Prescott, Pipe-Major Donald Cameron and Miss Jessie Pollock. Mrs. Gunn gave much pleasure with some Hebridean folk songs and Mr. Prescott sang "Annie Laurie" and other favorite lowland songs. Major Cameron and Miss Pollock gave much appreciated selections on the pipes.

TOWN TOPICS

Theft of \$3.85 from the till of the Metropolis Hotel yesterday morning at 3, was reported to the city police. The theft occurred while the clerk was upstairs.

An application from Cameron Lumber Co. Ltd. for a regulation prohibiting parking on a section of Garbally Road in order to avoid traffic dangers, was received at the City Hall today.

Seven Esquimalt ratepayers won reduced assessments last night as the municipal council completed its work as a court of revision at a single session. There were only 14 applications filed.

Building permits for \$1,248 alterations to the store at 814 Yates Street, and for \$500 changes to another store at 1623 Douglas Street, were issued yesterday by the city building inspector's department.

Ward Three Liberals will hold a social and concert tomorrow night at 8 in Liberal headquarters at Government and Broughton Streets. A good program has been arranged and all ward members are urged to attend.

The Vancouver Island Beekeepers' Association held its regular monthly meeting in the Memorial Hall yesterday evening. Owing to the absence of the speaker, general business matters were discussed. E. Goodman, president, was in the chair.

The next meeting of the Men's Parish Guild of Christ Church Cathedral will be held in the Memorial Hall at 8 tomorrow evening, when Dr. Kaye Lamb will give an illustrated lecture entitled "Glimpses of Gothic Architecture as Exemplified in Some French Cathedrals."

Pupils of the Lampsong Street Elementary School, Esquimalt, will present "The Rose and the Ring," based on Thackeray's fairy tale of the same title, for their annual school play next week. The performance will be given in the school auditorium on the evenings of February 16, 17 and 18, starting at 8.15.

Loss of 4,200 cigarettes, 20 packages of gum and a box of chocolate bars, in addition to \$150 in cash previously reported stolen, was reported to the city police by Morris W. Kersey, proprietor of The Carmelcrisp. Mr. Kersey reported his premises were entered in the early hours of yesterday morning.

At the second session of the Saanich Court of Revision of the 1938 assessment roll yesterday afternoon, 35 appeals were heard with no major alterations in values being made. During the morning hearing there were also 35 cases appealed. The court adjourned until the evening of February 21 when the few remaining appeals will be considered.

Hon. K. C. MacDonald, Minister of Agriculture, reached Vancouver today on his return from Ottawa, where he pressed the case of Okanagan fruit growers for continuance of their preference in the United Kingdom market. He is expected here tomorrow morning. Hon. F. M. MacPherson, Minister of Public Works, is also expected back in the city tomorrow, arriving by Ms. Aorangi from a holiday in Honolulu.

An appeal for books, magazines, games and sports equipment for men in the government's forestry and public works camps was made today by Thomas Daniel Jones, camp missionary of the United Assemblies in Christ. Mr. Jones is traveling around the camps to promote reading and games and recreation for the men. Donations may be left at 722 Broughton Street, he said.

Yesterday evening in the Y.M.C.A. hall, the Victoria and District British-Israel Association held a memorial service for the late W. H. Blackaller, Dominion president. The president, E. W. Abraham, spoke of the passing of a Prince in Israel, of the wonderful work he had done to spread the knowledge of British-Israel truth, and how much his deep wisdom and knowledge would be missed by the association and all his many friends.

An informal talk on newspaper work was given Monday evening to First United Young People's Society by "Tom" Merriman of the Victoria Daily Times, who gave an outline of the newspaper business in general and the editing and reporting angles in particular. Mr. Merriman also told of some of his experiences as a reporter in England, California, and in this country. Following Mr. Merriman's talk, Ken Macdonald moved a vote of thanks to the speaker. The worship period for the evening was conducted by Miss Emily Durkin, and dealt with the subject of "Wealth or Riches." The evening was closed with a social half-hour and the serving of refreshments.

Murder Appeal More Complex

Death of Judge Leaves Court Without Quorum to Reopen Macchione Case

The application of counsel for Vincent Macchione, sentenced twice to be hanged for murder and given a third trial, for a special session of the Court of Appeal to hear an application for leave to appeal on new submissions, was granted by the Chief Justice of British Columbia late yesterday. The order, however, the Chief Justice said, could not be implemented.

Death of Mr. Justice McPhillips, who sat with the Chief Justice and Mr. Justice Macdonald in the case, made it impossible for the court to secure a quorum before which the appeal could be reopened.

Clement Carmichael, for Macchione, sought a special session to seek leave to appeal on grounds transcripts of the judge's charge to the jury differed.

"No doubt there has been a material alteration in the charge as presented to the court, a material and substantial alteration from what was actually said to the jury," the Chief Justice said in part of his judgment.

He referred to the unprecedented situation in relation to reopening the appeal through the death of the late Mr. Justice McPhillips. That should not, however, deprive the accused of his right to appeal, he added.

ALTERNATIVE MOVES

The situation which resulted could be cured by "steps being taken in the matter, either by the Attorney-General of the province or by the Minister of Justice," the Chief Justice said, adding it was not his duty to suggest a way out.

The suggestion was made by H. A. Beckwith, who appeared with Mr. Carmichael, that the matter be discussed by him and the Attorney-General with a view to finding a solution.

"If not," the Chief Justice's judgment said in conclusion, "the matter shall remain as it is, with the application granted, and as I at present view the situation it will be impossible for me to implement the order."

MAJOR NATION IS RE-ELECTED

Again Chosen President of St. Mary's Scouts and Cub Packs

Major H. T. Nation was re-elected president of the St. Mary's Boy Scouts and Cub Packs at the annual meeting held recently in the Municipal Hall, Oak Bay. F. B. Robinson was returned as secretary-treasurer, and the following elected to the executive: Mrs. R. D. Harvey, J. E. Doe, Mrs. A. H. Anderson, Mrs. Gormall, Mrs. F. Wright and T. Fulthorp.

Reports were received from Major Nation, who said progress for the year had been good. Mr. Robinson, secretary, reported that the finances were in a satisfactory state and that circular letters and copies of the financial statement had been sent to 95 persons.

Scoutmaster Jack Fawcett announced an increase of 11 members for the troop. He said approximately 400 tests had been passed to warrant over 100 badges and all-round records. Rover Leader C. R. Scharf reported that there were 16 members banded together to keep in training for future leadership.

Akela Mrs. S. W. Brock reported her pack full strength and progressing very favorably. Akela Miss Norma Price was unable to be present owing to illness of her mother.

It was decided by the meeting that an annual subscription, together with a garden party or concert arranged by the boys, was the best means of raising funds to carry on activities.

Albert Head Workman Hurt

Critically injured during operations at Albert Head yesterday William Allan, 2523 Rose Street, is in serious condition today at the Jubilee Hospital.

Allan had his skull fractured when struck by a piece of falling timber while engaged on the defence project and also suffered hemorrhage. He is being attended by Dr. C. W. Duck and was operated upon by Dr. H. E. Ridewood.

He was taken to hospital by the C. and C. ambulance. The Oaklands Y.P.S. met Friday. John Stewart opened with prayer. The speaker for the evening was Henry Petersen of Chicago, his subject being "The Spiritual Christian." Following the singing of a hymn, Dave Stewart closed with prayer.

OBITUARIES

GEORGE EXLEY

Funeral services for George Exley, who passed away at the Royal Jubilee Hospital yesterday, will be held from Hayward's B.C. Funeral Chapel tomorrow afternoon at 2.30. Archdeacon A. E. de L. Nunn will officiate, and interment will be in Royal Oak Burial Park.

ARVILLA COLBERT

Archdeacon A. E. de L. Nunn conducted private funeral services this afternoon at the family residence, 813 Transit Road, for Mrs. Arvilla Colbert, who passed away there on Monday. The remains were laid to rest in Royal Oak Burial Park. Mrs. Colbert was born in Ontario and came to this city 38 years ago. For 30 years she had been a resident of Oak Bay, and is survived by her husband, J. L. Colbert, and a son, Geoffrey, at home; a son, Arthur, Vancouver; one daughter, Mrs. R. W. Ward, Saanich; a sister, Mrs. George Kidd, Cobourg, Ont., and a nephew, Jack Dixon, Youngstown, N.Y.

CARL JOHNSON

There passed away yesterday at Colquitz, Carl Johnson, aged 48 years, a native of Sweden and a resident of Colquitz for seven years. He is survived by one sister. The remains are resting at the Thomson Funeral Home, from where the funeral will take place on Friday afternoon at 2. Canon S. J. Wickens will officiate and interment will be in Colwood Burial Park.

DIES AT DUNCAN

The death occurred in the King's Daughters' Hospital at Duncan early Tuesday morning of an old-time and well-esteemed resident of the district in the person of Freda Henrietta, wife of Thomas H. Kingscote. Mrs. Kingscote was born at Hayward's Heath, Sussex, England, and lived for five years in Saanich before the family settled at Cowichan Bay, where they have lived for the last 28 years. Besides her widower she leaves two sons, Anthony A. and Nigel H.; one brother, William Rush, New Zealand, and two sisters, Mrs. Waring and Mrs. Young, both in Edinburgh.

The funeral will be held on Thursday afternoon from St. Andrew's Church, Cowichan Station. Rev. T. M. Hughes officiating.

Council Thanked For Totem Pole

Thanks of the City Council for the presentation of an ivory replica of an Alert Bay totem pole were expressed by Lester Patrick, of the New York Rangers, to Mayor Andrew McGavin in a letter received at the City Hall today.

The presentation, Lester wrote, was made in the presence of several newspapermen and received considerable mention in many of the New York and United States dailies as well as in papers served by the Canadian Press.

The totem pole proceeded to immediately exercise its charms and we defeated the Chicago Black Hawks last night 6 to 1," the letter read.

The New York Post carried a full-page ribbon on the presentation.

Parents Watch Children Work

Open House at All Schools in Observance of Education Week

Schools of Saanich, Oak Bay and Esquimalt, as well as Victoria schools, this week are being thrown open for inspection by the public in connection with the annual observance of Education Week.

In Saanich all schools are open during regular school hours and several hundred parents so far have taken advantage of the opportunity to observe the manner in which their children are instructed.

Arrangements for the observance are being left in the hands of the individual principals, and in some cases special exercises are being given.

OAK BAY SCHOOLS

Oak Bay is marking the week with open-house days at all its schools.

Yesterday the home economics and manual training classes were visited by the public; this afternoon the Willows school was open for inspection. Monterey School will be open tomorrow afternoon from 1 to 3 and the Oak Bay High School on Friday during the same hours.

A demonstration of folk dancing, physical drill, singing and games will be given in the auditorium of Monterey School during the afternoon tomorrow. A similar display was presented during the open house at the Willows today.

The Willows and Monterey schools will take part in one of the Education Week broadcasts over station CECT at 2.45 Friday afternoon.

IN ESQUIMALT

Esquimalt High School will have its open house on Friday afternoon from 2 to 3.30. In addition the school will give a physical education display at the Esquimalt Community Hall during those hours.

Lampson Street elementary school, busy with preparations for its annual school play next week, will not be open to the public, but pupils will present a scene from Dickens' "Christmas Carol" and another playlet during a broadcast over CFCT at 2.30 tomorrow afternoon.

Would Publicize Island Park

Hon. A. Wells Gray, B.C. Minister of Lands, said today he intended to draw the attention of the publicity bureau to the new camping grounds on Vancouver Island opened up by the forestry camp crews in the last year.

They include Skutz Falls at Cowichan Lake, Englishman's River, Little Qualicum River, Elk Falls and the Medicine Bowls on

Profit-taking Halts Wall Street Rally

NEW YORK (AP)—Stocks swung into a moderate rally to day, but faltered under profit-taking and some gains were transferred to the minus column. For a time transactions perked up on the advance, but the pace dwindled later. Offerings were plentiful, but demand fell off as traders cashed their gains.

Rails, stimulated by hopes of an early freight rate advance, provided a good performance throughout the day. Steels, farm equipments, building materials and merchandising shares were sought, but were inclined to drop back in late dealings.

Announcement U.S. Steel and the C.I.O. union had concluded a new wages and hours agreement came late in the session and had little immediate effect on prices. Passage of the farm bill by the national House of Representatives likewise was a late development.

Changes in Canadian issues were narrow either way. Down 1/2 point or less were Dome, International Nickel and Lake Shore. Canadian Pacific gained a modest fraction. Canadian 4s were slightly higher.

Transfers approximated 750,000 shares.

Dow Jones averages closed today as follows:
Thirty industrials—125.00, off 0.22.
Twenty rails—28.13, up 0.25.
Twenty utilities—18.86, off 0.12.
Forty bonds—90.41, up 0.17.

PAPERS GAIN AT MONTREAL

MONTREAL (CP)—A few fractional recessions among rails and oils failed to shake general firmness of Montreal Stock Exchange at the close today.

St. Lawrence Paper preferred advanced a point at 36. Price Bros. 1/4 at 13 1/2, and Howard Smith 1/2 at 13.

Smelters and International Nickel closed fractionally higher. Noranda was up a point at 60.

Steel of Canada dropped 1/2 at 6
